

## Sand to Pearls, Making Bold Choices to Enrich Your Life

Illusions of success and instant pleasure can seduce us into making poor choices. We long for fulfillment but are haggard from life's trials and overwhelmed by what the future holds. Broken, we feel unworthy to ask God to intervene in our lives. Blinded by it all, we often overlook that God has the potential to use everything in our lives--whether good or bad. It's time to S.T.O.P. and let God help us make bold choices to enrich our lives with freedom, fulfillment and incredible beauty! International speaker and author of *Beauty Unleashed*, Heidi McLaughlin shares from her personal discoveries how God heals and restores all failures and pain. If God can take a tiny grain of sand and turn it into a gorgeous pearl, then He certainly can turn our worst decisions and biggest mistakes into a magnificent new beginning! *Sand to Pearls* show us that God doesn't want us to stay in the grittiness of life-consumed with the what ifs, overpowered by the shoulds, and stuck in the past. -Sheila Wray Gregoire, speaker and author, [tolovehonorandvacuum.blogspot.com](http://tolovehonorandvacuum.blogspot.com) Authentic. Practical. Powerful. *Sand to Pearls* is a resource guaranteed to encourage readers of God's desire and ability to transform our past into a promise-filled present and future. -Grace Fox, author of *Moving From Fear to Freedom* and National Co-director of International Messengers Canada
