

Introduction To Herbs For Detoxification (Herbs For Healthy Living)

This short eBook is a great primer on the truth about detoxification. You'll be introduced to several herbs and artisan herbal formulas that can help your body cleanse. You don't need to suffer with insane cleanses that require you to fast for 10 days and only drink lemon juice. This book will give you a general framework that you can start using right away to cleanse and detoxify. In a future book, we will go into more detail and discuss a full protocol for thorough cleansing.
