

Same Sex Marriage and the Future

Are you and your church prepared for the moral revolution surrounding homosexuality and same-sex marriage happening across America? While human sexuality and social institutions are being redefined before our very eyes, the Bible presents marriage as an unchanging picture of the gospel through the union of one man and one woman. The gospel announces that the story of Jesus is greater than the sum total of our sexual desires. This eBook by Russell Moore helps explain what the gospel means for the future of marriage and sexual identity.
