

## Hero: Becoming the Man She Desires

You already know its not easy being a single man in this culture today. But it is easy to be overwhelmed, to feel helpless and hopeless about living by Gods high standards for singles. Its easy to cave in to the pressures of this sex-soaked world and accept defeatblaming the media, the culture, even girlfriends who dont know how tough it can be. But many men have read books like Every Young Mans Battle and Tactics and have committed themselves to stand strong and pure in the power of God, and to go on the offensive against the onslaught of negative stereotypes. Some have suffered. Some have fallen. But many have experienced victory and you can be among them. What makes those committed men so desirable to women? Be Her Hero is their motto. From best-selling author Fred Stoeker, along with his son Jasen, come the straightforward insight and real-life examples youre looking for to help you take personal purity to its logical conclusion. Heres straight truth with irrefutable evidence of what makes an ultimate hero to women who long for men of faithmen who stand by their convictions and make their world a safer and better place. Are you ready to accept the challenge?
