

Minesweepers of the Royal Canadian Navy, 1938-1945

The minesweepers of the Royal Canadian Navy toiled in comparative obscurity, unlike their more celebrated cousins, the corvettes and frigates. In devoting a book to minesweepers, Ken Macpherson makes amends for what he considers a long ignored oversight.

Citation - Minesweepers of the Royal Canadian Navy, 1938-1945 HMCS Malpeque (pennant J148) was a Bangor-class minesweeper constructed for the Royal Canadian Navy during . ISBN 1-55125-072-1.
