

Horizontal Jesus: How Our Relationships with Others Affect Our Experience with God (Member Book)

Loving God is a vertical love. Loving others is a horizontal love. Jesus showed his disciples how these two loves are intertwined in practical ways. While our relationship with God is based on faith alone, He warns and encourages us to see that the way we treat people affects our experience of Him. In this six-session study, you'll learn how to apply biblical principles drawn from several one-another passages in Scripture. In doing so, you'll reap blessings in your vertical relationship with God. This Bible Study Book includes a small-group experience for six sessions, individual study opportunities, and tips for leading and hosting the group.
