

What Women Want: What every husband longs to know and every wife wishes she could share

What would happen if a large group of men earnestly sought to become better husbands? What if they gathered together for this purpose one weekend and handed the microphone to a speaker who just happens to be a woman? Using her trademark humor and sound Biblical truth, Sheri Rose goes straight to the heart in this powerful message with deep personal meaning. Through 17 years of marriage and ministry, Sheri Rose and Steve have felt the pain of disappointment, fear and failure. Like the Shepherds though, you may be shocked at what kind of miracles God has up His sleeve! After you grab hold of these practical tools and life-changing truths, you may just find yourself so full of hope you'll be standing up and cheering for God...and your marriage!
