

How To Live Life

Life is a problem -- a problem you can solve! All you need are some simple, insightful ways of looking at yourself and your world, plus frank, straightforward tools for developing your philosophy, addressing your feelings and clarifying your goals. And they're all here for you in abundance in John Vorhaus down-to-earth guide to lofty concerns, *How to Live Life*. Using the plain-spoken, exercise-driven approach of his many successful writing books, *How to Live Life* offers no magic solutions, just practical strategies for advancing your self-awareness, acquiring self-acceptance and closing the gap between the person you are and the person you want to be. If spiritual matters matter to you, if you want to make your life rise, and if you wish to gain a better grasp of the questions that confront us all, this little book will have a great big impact on you.
