So all of your friends have found a girlfriend or wife and are moving on with life happy as clams. As much as you don't want to be, you sometimes feel a little jealous. Don't be, your time is on its way. In fact your time could be now! Maybe that is the very reason you came across this book. But before you get too excited, you have to know how to sift through all of the eligible bachelorettes to find the woman of your dreams. Are you still afraid of online dating? Well you shouldn't be because online dating is no different than searching for anything else online. In this day and age of information, if you wanted to find a job, would you search for a job by knocking on every business's front door? No, you would go online where you could sift through potential jobs before wasting your time driving all over town. If you wanted to find a house or a car, would you drive all over the state looking for a house or car? Nope, you would begin your search online so you could find what it is that you are looking for in the fastest manner. So why would dating be any different? Here's another greater reason to try out online dating. If you're a Christian and want to find a woman with the same values and beliefs as you, it is much easier to find someone similar to you when you search online first. For instance, if you were to go out with your friends on a Friday or Saturday night, you may see 30 or 40 different women that are possible women for you to approach, but it is very difficult to know before you go out to meet them if they even have anywhere close to

the same morals and belief system that you do. Thats why it is so advantageous to look for your soul mate online. You wont waste her time, or yours. So dont waste anymore of your precious time, get started now! Your future with the woman of your dreams is waiting. Here Is A Preview Of What Youll Learn...The Importance of Beliefs and Shared Value Systems in Relationships The Science of Modern Matchmaking Avoiding the Pitfalls of Online Dating Transitioning from Online to Offline Interaction Keeping Yourself Safe and Secure at All Times Many, Many more Tips for Successful Online Dating!
