

Humility & Absolute Surrender (Hendrickson Christian Classics)

The condition of God's blessing is absolute surrender of all into His hands. If our hearts are willing for that, there is no end to what God will do for us, and to the blessings God will bestow. from Absolute Surrender Greatly concerned for the spiritual guidance of new converts, and for spiritual growth in long-time Christians, Murray penned some of the most enduring devotional classics of Christian literature. The two beloved works in this volume reflect Murray's longing for a deeper life in Christ and his prayer that others would long for and experience that life as well. Hendrickson Christian Classics is planned to include all the timeless books that generations of believers have treasured. Each volume in the series is freshly retypeset, while thoughtful new prefaces explore their spiritual and historical contexts. For contemporary readers, here is an essential library of Christian wisdom through the ages.
