

## I Know His Name with DVD: Discovering Power in the Names of God (InScribed Collection)

In this five-session Bible study, Wendy Blight implements her practical and approachable style to equip readers to study the Word of God and then apply it to their own lives in practical ways. This study is for any woman who wants to move beyond simply knowing about God to really knowing God in a very personal way. Join Wendy as she teaches how the very names of God reveal His character and heart. This study will help women to:

- Realize their infinite worth as they explore the nature of the God who created and formed them. Live with bold assurance that their God is a personal God who sees them, hears them, and knows them by name.
- Walk confidently in knowing both who they are and Whose they are. Arm themselves with seven tools to pray more confidently and effectively in any situation or circumstance. Transform their walk with Jesus as they discover how He fulfills the Old Testament names of God.

This book includes biblical and historical background insights, practical application, and a memory verse for each chapter. The study may be completed individually or with a small group. Chapters Include: Elohim: The One Who Created You El Roi: The One Who Sees You Jehovah Nissi: The One Who Stands Guard Over You Jehovah Rapha: The One Who Heals You More Magnificent Names Can be used alone or with I Know His Name: A DVD Study (9780310089018). InScribed is a collection of Bible studies that lead women to not just survive but thrive by encouraging them to immerse themselves in the Word of God.
