

# I Will Be Found By You: Reconnecting With the Living God—the Key that Unlocks Everything Important

To seek and find God is everything. In his forty-three years of seeking after God, Francis Frangipane has learned one simple (yet essential) truth. It is in seeking God, that we actually find Him. The deliberate movement of our hearts toward God leads us into far more than a simple answer to our need--it leads us straight to Him. We discover God to be an ally whose wisdom is all encompassing and whose power can transform all things with just one look. In *I Will Be Found by You* he shares a collection of some of his best writings on the topic, both old and new, to reveal the key to seeking God and possessing a heart after God--the key that unlocks everything important.
