

Everyone attends the School of Experience, but some learn more than others. Whatever comes our way in life, it is up to us to make the most of it. The lessons are presented; how well we learn them is our choice. In this book, readers will find invaluable insights to equip themselves for the course of study ahead. J. Ellsworth Kalas provides a profile of some of the teachers in the School of Experience: Friendship, Regret, Love, Success, Defeat, Enemies, and others. He draws from the lives of saints and sages -- as well as from rogues -- to discover inspiration and insight for today's Christian. The wisdom in this book opens our eyes to the often overlooked subtleties in the lessons of life.
