

If I Should Die Before I Wake: Whats Beyond this Life?

According to the pollsters, belief in Heaven is actually on the increase. Although heaven may be popular; probably less thought is given to how to get there than your annual holiday. It is only when events rudely awaken us that we are pressed into asking some of the serious questions about the place where most people expect to go. Sometimes the prompt is our children with a plaintive Where is Grandma now? Mostly, though, thoughts of heaven, and more particularly the death that precedes going there, are pushed out by the hedonistic lifestyle that most of us live. If the purpose of life is simply to enjoy: then an absence of life (i.e. death) is a recipe for no fun at all! Facing death enables us to face life - knowing more about your future makes an enormous difference to the present. Its time you looked your future square in the face and thought What does it hold for me?
