

F-84F/RF-84F Thunderstreak - Thunderflash

This book by Robert Robbie Robinson is a definitive guide to the Republic Thunderstreak. Written in his well researched style, with background, development and operational duties of the F84 and its variants, the book is fully illustrated with contemporary and archive photographs. Robbies own excellent detailed artwork and illustrations of the aircraft colour schemes, squadron insignia and especially his crew, cockpit and component detail drawings are outstanding.
