

## Fractal Beauty: 52 Prayers

Fractal Beauty is a collection of 52 prayers that will inspire and challenge you to look again at Gods involvement in creation and to consider and respond to Gods open invitation to collaborate in re-creative work. This collection of prayers has been written to be used by individuals and in groups. For personal and corporate worship and as conversation starters. Be warned though, prayer is a dangerous act and should be approached with care. These prayers of worship, wonder, adoration, action and challenge can change the world.
