

Gods Mobile Home: Stories of Grace from the Tabernacle

A series of short stories about the Tabernacle as seen through the eyes of a young Israelite girl, her family, and her favorite priest. Join Jerusha, Benjamin, Rachel, Abiel, Rouel, and Levi as the Tabernacle and its teaching about God and His grace come to life in Gods Mobile Home. **MORE DETAILS** Most Bible reading plans founder towards the end of Exodus, and collapse after the first few chapters of Leviticus, as the stirring narratives of Genesis and the first half of Exodus give way to chapter after chapter of laws and regulations about the Tabernacle, its furniture, and its rituals. Preachers also tend to avoid these chapters like the plague because they are so hard to bring to life for a contemporary audience. That's where this book comes in. It attempts to put real-life flesh and bones on the Bible's teaching about the Tabernacle. Rooted in Scripture, it narrates how the words of Exodus and Leviticus translated into action in the ordinary lives of ordinary Israelites. It's a story about the Tabernacle as seen through the eyes of a young Israelite girl, her family, and her favorite priest, a story that teaches a lot of theology, but does so in a way that young people and even children can understand. For those who want to go a bit deeper, there are study questions for each chapter that have been designed to lead readers further into the New Testament's light on the Tabernacle. May Gods Mobile Home bring God into the home of your heart. May He tabernacle with you, full of grace and truth.
