

Christlikeness (In Christs Image Training)

This is the first of four training manuals used by In Christs Image Training (ICIT) online courses. The vision of ICIT is to train and release hundreds of thousands of Christlike pastors, leaders and intercessors to stand before God on behalf of the world around them. We were created for one purpose: to become Christlike. Once we truly begin to manifest the maturity, power and attitudes of Jesus Christ, all things come into perspective and all relationships begin to expand toward heavenly proportions. Christ did not die on the cross simply to save us in a theological sense; He saves and forgives us that He might transform us. It is our hope that the truths presented in this manual will ignite a passion for Christians around the world to pursue the character and love of Christ. If we truly reveal Jesus, we will awaken the pleasure of God, and when the Fathers pleasure is stirred, His redemptive power soon follows.
