

Other Planets

BLUE HOUSE BOOKS I KNOW YOU love me, Evan says that night. Ive always known... Whatever happens it will always be there. Lets never ever be separated. You always come home, Evan murmured again. Yes, Adrian told him. And I always will. DJ: has two fathers, one lover, and a torturous adolescent full of desire and the hunger for love. EVAN: is one father, whose desire for a normal life was far outweighed by the need for the love of his life. ADRIAN: is the love of his life, whose one rule is never be bored, unless is second rule is never conform. All three of them go through the geography of desire, mapping out a life where love is all that matters. Two days after Christmas, in the bleakmidwinter the tale begins, but the love between Adrian and Evan is twenty years in the making, and their journey to maturity is the story of: OTHER PLANETS
