

Jailhouse Strong: Interval Training

Continuing with their Amazon #1 best-selling series, Jailhouse Strong, Bryant and benShea return to deliver a guide on interval training. Instead of performing endless hours of long, slow cardio that makes you weaker, slower, and eats away at your muscle, Jailhouse Strong Interval Training is a time efficient way to lean out and harden up. Whether inside a posh gym or limited by space inside a cramped hotel room, the workout programs included inside of this work offer a means to make the most of your environment and enhance your current reality. While the workout approach of this book is rooted in the physical culture cultivated behind bars, this book takes the subject of interval training well beyond the confinement of prison walls. Whatever your current reality, these interval training workouts can get you leaner, harder, and improve the trajectory of your physical development. Praise for Jailhouse Strong: If you are looking for something that is simple and you do not have to have very sophisticated equipment, this is the book to read. I strongly recommend that you buy Jailhouse Strong.
