

Pragmatic Reasons: A Defense of Morality and Epistemology

This book shows how a sophisticated version of pragmatism, resting on a novel conception of rationality, can justify a range of important practices, including our practices of moral and epistemic evaluation, as well as our practice of making judgments regarding free will and moral responsibility.

James, William Internet Encyclopedia of Philosophy This book shows how a sophisticated version of pragmatism, resting on a novel conception of rationality, can justify a range of important practices, **Pragmatic Reasons: A Defense of Morality and Epistemology** by He has also published numerous articles in ethics, epistemology, metaphysics, and philosophy of religion.
