

Jesus and the Law of Attraction: The Bible-Based Guide to Creating Perfect Health, Wealth, and Happiness Following Christs Simple Formula

Do you want to improve your life, attain total happiness, treat an illness, increase your finances, find true love, or heal a relationship? God gave us the means to achieve all of these things and more, and Jesus gave us the key to unlocking the divine law that activates them! In his bestselling book, *Jesus and the Law of Attraction: The Bible-Based Guide to Creating Perfect Health, Wealth, and Happiness Following Christs Simple Formula*, award-winning author, historian, and Bible scholar Lochlainn Seabrook has provided us with a comprehensive, one-of-a-kind guide that will forever alter the way you view Jesus and His earthly mission, while giving you the power to transform your life mentally, physically, and spiritually. The Foreword is by New York Times bestselling author Dannon Brinkley (*Saved by the Light*), who calls Seabrooks work a masterpiece. Lavishly illustrated with dozens of enlightening images and captions, *Jesus and the Law of Attraction* bridges the gap between faith and science, the mainstream Church and New Thought Theology, and fundamentalist Christianity and mystical Christianity. With over 3,000 endnotes and some 30,000 Bible citations and scriptural references, this exhaustively researched and well documented book explores Jesus amazing but suppressed teachings on what has been called the Secret, the Pearl of Great Price, and the Mystery, which from the beginning of the world hath been hid in God. Known among prehistoric peoples and embraced in historic times by thousands of the most brilliant men and women to have ever lived, this Hidden Wisdom of God in a mystery is none other than the universal and eternal spiritual-scientific principle that like attracts like, what we now call the Law of Attraction. Culled directly from the Bibles original Good News (which Jesus revealingly called not the Gospel of Jesus

but the Gospel of the Kingdom), Seabrook unveils Christs truth about human divinity and our divine powers, providing in-depth, step-by-step instructions on how to make the Law of Attraction work for you in every area of your life. The author utilizes canonical, as well as apocryphal and noncanonical texts, to explain the Law in detailed but easy-to-understand terms, so that anyone can begin using Jesus LOA principles to alter their conditions, experiences, and circumstances. Chapter topics include the Law of Attraction and love, happiness, relationships, work, abundance, money, health, the Afterlife, healing dis-ease, and a mind-boggling chapter on Jesus method of treating cancer without medications, radiation, or surgery! Jesus and the Law of Attraction also contains an academic section that includes a comprehensive glossary of the Bibles mystical words and phrases, a list of early teachers and practitioners of the Law, and an extensive discussion on why the mainstream Christian Church covered up the Lords teachings on the LOA to begin with. Written not just for Christians, but for non-Christians, skeptics, and even nonbelievers as well, this life-altering blockbuster is a treasure trove of invaluable spiritual knowledge, dug from the archives of the Ancient Wisdom and Jesus secret teachings. Destined to become a self-help classic in the worldwide spiritual community. Lochlainn Seabrook is the recipient of the prestigious Jefferson Davis Historical Gold Medal, and is the author of over thirty popular books for all ages, including The Bible and the Law of Attraction: 99 Teachings of Jesus, the Apostles, and the Prophets.
