

Jesus Culture: Living a Life That Transforms the World

Stand Up and Stand Out! A new breed of revivalist is arising to answer the cry of God's heart. These blazing hearts are calling cities and nations back to the Lord, and challenging societies to be transformed by the power and love of God. These revivalists within the Jesus Culture are a significant force to be heeded. Do not expect them to fade into the background or disappear any time soon. They are only now arising. These revivalists are marked by four things: They honor those who went before them. A passionate love for Jesus responding to His great love for them and all humankind. A life of prayer with confidence in God's goodness and desire to respond to prayer. The supernatural power of God (healing, signs and wonders, prophesy, etc.). Learn more about the Jesus Culture from author Banning Liebscher who has worked in full-time youth and young adult ministry for more than a decade. Become more by joining the ranks of this new breed that is not afraid to stand up and stand out for God during this crucial time in history.
