

Finding Intimacy with Jesus Made Simple: Key Truths to draw you closer

Have you got a hunger to be closer to Jesus? Have you got a desire to know Him in a greater way and walk with Him in a deeper relationship? Do you have a thirst for intimacy with Jesus to such a level that you can know secret things about Him? Do you want to walk with Him so close that He directs your every step through the leading of the Holy Spirit? Come and read about a Jesus that you always knew, but in way that you have never known Him. Come and read His secrets about His life on earth that He is happy to reveal to His friends. Read key truths that will thrust you into a more intimate relationship with Jesus if you understand them, meditate on them and apply them to your life. Matthew Robert Payne has lived a life of sorrow and pain, and yet through all his trials he has grown intimate with the Lover of his soul. Listen as he shares his heart with you, the lessons that he has learned in his Christian life and key revelations about the life of Jesus that were only revealed to him as he wrote this book. Many who know Matthew on Facebook in a personal way have a holy jealousy of his relationship with Jesus, and with this book he hopes to let people bridge that gap. This book is not a book to be read once and put away; it is a book that you need to read again and again and apply to your life. Intimacy with Jesus is a sure prize, and well worth the effort it requires you to put into it, and reading this book is a key step to getting there.
