

Behold the Lamb or the Power of the Blood of Jesus

In modern Christianity today the blood of the Lord Jesus is often ignored or overlooked. In this classic study on the significance of the blood Rev. Andrew Murray brings the believer back to the foundational truths of Gods Word that without the shedding of the blood there is no freedom from sin. This is the reason for so many that are weak spiritually and struggle in spiritual warfare. The position and promises of the believer are rich in spiritual depth because of the new life. Born again means that the blood avails for me. I am no longer a stranger to God - I am a son of God and there are promises available to those who trust in the blood of Jesus. We trust this book will be a blessing to you and it is our privilege to bring to you this Victory Life edition. Proceeds from the sale of this book go to further the cause of our foreign missionary efforts around the world.
