

Genesis to Revelation: Genesis Student Book

Each of the 24 volumes offered in this study series is a comprehensive verse-by-verse, book-by-book exploration of the Bible using a three-dimensional approach that guides students to ask three questions: What does the Bible say? What does this passage mean? What were ancient customs, locations of places, and the meanings of words? How does the scripture relate to my life? Each volume contains 13 sessions using the NIV Bible translation. Order a Student Book for each class member and leader.
