

Johnny Tel: Unmasked

Johnny Tel: Unmasked is the 2nd collection of poetry published by Michael David Correro. Unlike his first poetry collection, *The Tiniest Seed*, this collection unleashes the many dark stories the poet has historically witnessed in Mississippi and Georgia, which have shaped his life into what it is today—an extraordinary voice in modern poetry. The selected poems in *Johnny Tel: Unmasked* will take you on a deep and soulful journey through over thirty years of the poet's view of the world. Johnny Tel is the poet in Mr. Correro's heart, who has had to conceal the many experiences, which only a Southern upbringing would have allowed until now. In conclusion, Mr. Correro's writing has been reminiscent of one of his greatest literary voices of the South, but only in a whisper will you hear it...Faulkner.
