From the author of *Just Us Girls: A Bible Study on Being God's Girl in Middle School* comes a new 10-week Bible study for teenage girls. Want more than an average life? Guess what? You were created to Dare Greatly. School. Eat. Sleep. Repeat. Sound familiar? In high school, our lives fall into the same nerve-wracking pattern, but what if it didn't have to be that way? What if stress and fear didn't dictate our decisions? What if we dared to do great things for God, not someday, but right now? Because we were never meant to be okay girls living okay lives. You are God's warrior. His secret weapon. His game-changer. This Bible study is more than a survival book for high school. *Dare Greatly* is a guide to discovering our God-given potential in our crazy, stressed out, homework-driven life. Because in Him, we have the ability to: Live Our Lives Exceptionally Conquer Our Fears Courageously Run This Race of Faith Dauntlessly And Dare Great Things for the Kingdom of God You don't have to wait until you graduate high school to change the world. It starts right now. So grab your Bible, grab your pens, and jump in. I dare you, beloved. I dare you to Dare Greatly. What Teen Girls are Saying About *Dare Greatly*: This Bible study covers everything from boys to stress to sharing your faith, and it's really inspired me to grow closer to God, to achieve His standards instead of anyone else's. In short, this is a teen girls guide to attaining her God-given potential. Elizabeth, Age 17 I adored a lot of things about *Dare Greatly*.
