

# King Kong Is Back!: An Unauthorized Look at One Humongous Ape (Smart Pop series)

**\*\* COMPLETELY UNAUTHORIZED \*\***  
Kong fans will go bananas over this collection of essays on one of films most powerful and evocative figures. Experts in the fields of race, gender, evolution, special effects, and film explore the legend of King Kong from every angle in this study of the magical and unparalleled original film. From Why has King Kong affected the American consciousness so profoundly? to What does the story say about race, gender, and sexuality? and Why have the sequels failed to re-create the originals allure?, the essayists examine all aspects of this landmark film and its impact on society, culture, and media. Insights into the new version, due out this year by acclaimed Lord of the Rings director Peter Jackson, are also included.
