

Kingdom Woman: Embracing Your Purpose, Power, and Possibilities

A kingdom woman gives the devil as much reason to fear as a kingdom man. She lives confidently in the knowledge that Christ died and rose for her so that she can experience the significance of the destiny to which she has been called. In Kingdom Woman, Tony Evans and his daughter, Chrystal Evans Hurst, remind women of their calling from God to be free, delivered, healed, and to have hope. The authors bring insight that encourages women to correct distorted perceptions and understand who they really are in Christ?never settling for less when connected with the One who gives them hope. All believers are covered by Gods covenant with Abraham. Evans and Hurst want women to know these rights and confidently claim and live by them. The new covenant offers more than a life of mediocrity. A kingdom woman is called and empowered to live a life of victory through Christ!
