

## La Cuadra Magazine November / December 2014: Written by Monkeys, Published by Fools

La Cuadra Magazine is a bimonthly compendium of writing that does not suck. There is beautifully crafted satire. There is insightful political analysis. There is sublimely rendered art criticism. There are personal essays and creative non-fiction that will shake your soul and make you feel born anew. There are dick jokes. There is much of great value in La Cuadra Magazine, a project started by Michael Tallon and John Rexer eight years ago, after sharing a bottle of mezcal late one night in Antigua, Guatemala and before the following mornings hangover kicked it, and in all the time since, we've been running strong. Every issue is fresh. Every issue is challenging. Every issue is funny as hell. Moreover, you have our word, no matter what is written in La Cuadra Magazine, it WILL NOT SUCK. Promise.
