

La juventud guerrillera: Guatemala, 1960-1980 (Spanish Edition)

La historia es enseñanza. La historia representa las huellas de un pasado nacional y cuando el pasado no se esclarece es semejante a caminar sobre la arena. En este libro de Silvia Bollat el lector tendrá la oportunidad de conocer y comprender los métodos de captación que varias instituciones utilizaron para involucrar a algunos jóvenes de diferentes sectores de la sociedad en el conflicto armado en Guatemala. Este involucramiento creó un escenario de dolor, no solamente a ellos sino también a sus familias.
