

Leading the Way Through Daniel (Leading the Way Through the Bible)

Daniel lived as an exile in a hostile country, yet when he committed himself in faith to serve his limitless God, he achieved the impossible. How did Daniel maintain his bold witness for God in spite of bullying and intimidation? How did he prepare himself for the tests and temptations of life? Like Daniel, believers today live in a culture that is hostile to biblical values. It takes great courage and faith to live as followers of Christ in a post-Christian world characterized by moral depravity, injustice, idolatry, and more. In *Leading the Way through Daniel*, Michael Youssef passionately shows readers that the resources Daniel relied on are equally available to them. Sound teaching, vibrant illustrations, a brisk conversational style, and a discussion guide will enable readers to take the truths of the book of Daniel and apply them to the pressures, trials, and temptations they face in today's culture.
