

Lectures on the Book of Revelation

IT is certainly cause for deep regret that to so many Christians the Book of Revelation seems to be what GOD never intended it should be - a sealed book. The book of Daniel was to be sealed till the time of the end (Daniel 12:9), but of Revelation it is written: Seal not the sayings of the prophecy of this book: for the time is at hand (Revelation 22:10). It is clearly evident that this portion of Holy Scripture was given for our instruction and edification, but thousands of the Lords people permit themselves to be robbed of blessing by ignoring it. Significantly enough, it is the one book of the Bible which begins and ends with a blessing pronounced on those who read and keep what is written therein (Revelation 1:3; Revelation 22:7). Surely GOD did not mean to mock us by promising a blessing on all who keep what they cannot hope to understand! It is only unbelief that would so reason. Faith delights to appropriate every part of the sacred record, and finds that they are all clear to him that understandeth.
