

Left Ahead - A Radically New View of the Rapture

What if traditional views of the biblical Rapture were completely backwards? Not just the controversy over WHEN the Rapture will occur. That may be a never-ending debate. But what if it were completely misunderstood about WHO gets raptured? What if the famous verse in Matthew 24 about two men standing in a field, was upside-down? What if it was the wicked who got taken? What if it was the righteous who were left behind? Author Michael O'Brien makes a fascinating hard-to-refute case for this future event
