

Life Is ____.: Gods Illogical Love Will Change Your Existence

Life is _____. How would you finish that sentence? Judah Smith believes Jesus shows us how to live life to the fullest. In this follow-up to his New York Times and USA Today bestseller *Jesus Is _____*, Judah completes the new sentence again and again, revealing how Life is to be loved and to love. Life is to trust God in every moment. Life is to be at peace with God and yourself. Life is to enjoy God. Judah writes as a friend, welcoming new believers, lifelong followers of Jesus, and even the merely curious. He shows us the love of God that defies human logic and the life that God intends for us to have in the here and now. With excitement and humor, Judah looks at the stories in the Bible from his unique angle and shows how life is all about loving God and loving others.
