

Lightning east to west

We live in that final time which offers humans the clearest choice in history: the kingdom or the holocaust, Jim Douglass writes. Either end is a lightning east to west: the nuclear holocaust a lightning fire, the kingdom of Reality a lightning spirit. We will choose lightning east to west today as either nuclear fire or the kingdom of God, as either despair and annihilation or transformation through nonviolence. If we look to Jesus and Gandhi, and what they point to, we can hope to choose the lightning fire of nonviolence.
