

The Official Preppy Handbook

It is the inalienable right of every man, woman and child to wear khaki. Looking, acting, and ultimately being Prep is not restricted to an elite minority lucky enough to attend prestigious private schools, just because an ancestor or two happened to arrive here on the Mayflower. You don't even have to be registered Republican. In a true democracy everyone can be upper class and live in Connecticut. It's only fair. The Official Preppy Handbook will help you get there.
