

## New Life in the Spirit (Library of Living Faith)

How are we to understand the Holy Spirit? In this enlightening presentation, Leonard Sweet examines the power, the divinity, the gifts, and the ecstasy of the Spirit. He tackles the question of speaking in tongues; the weaknesses and strengths of the charismatic movement; and the part that the Spirit plays in art, nature, history, and in other religions. With questions for discussion, this perceptive study opens our eyes to the role of the Holy Spirit in life today.
