

Living the Lifestyle of Faith and Power

God has given his children eternal life through the shed blood of his only begotten Son, Jesus Christ. We did not earn this precious gift, and we did not deserve it. But God saved us because of his great love for us. But it did not end there. Child of God, you are supernatural. God has given you great power and authority! But, you need to understand how to use this power in order to walk in spiritual dominion. Most churches are places where only history and philosophy are taught, and their members are ignorant of how to operate in Gods kingdom. My people are destroyed for lack of knowledge: because thou hast rejected knowledge, I will also reject thee, that thou shalt be no priest to me: seeing thou hast forgotten the law of thy God, I will also forget thy children. (Hosea 4:6). Many of Gods people simply do not know how to live by faith. But this book will change that. From this book you will learn: 1. Exercises that unleash your faith 2. How to use different types of prayer 3. To fight against demonic influence 4. A balanced theology concerning the walk of faith 5. The difference between power and authority 6. Gods way of manifesting his promises 7. How to create your own personal promises resource 8. Why prayer is not enough Allow Gods Spirit to minister to you as you learn from his word. It is Gods will to prosper you in every area of your life, and this book will help you to receive all of the blessings that your Heavenly Father has for you. Beloved, I wish above all things that thou mayest prosper and be in health, even as thy soul prospereth. (3 John 1:2).
