

Loveology Study Guide with DVD: God. Love. Marriage. Sex. And the Never-Ending Story of Male and Female.

In the beginning, God created Adam. Then he made Eve. And ever since we've been picking up the pieces. Loveology is just that—a theology of love. It starts with God's design for love and marriage and then works backwards through sex, romance, and singleness. Pastor and writer John Mark Comer talks about what is right in male/female relationships? what God intended in the Garden. And also what is wrong? the fallout in a post-Eden world. The Loveology video-based Bible study is for anyone who wants to learn what the Scriptures have to say about sexuality and relationships and for people who want to ask the why questions and get intelligent, grace-and-truth answers. Sessions include: Love Marriage Sex Romance Singleness
