

## Signs of the Times: Revised Edition

The Signs are Unmistakable Weve always had earthquakes but this many? Weve always faced natural disasters but this terrible? Weve always had Middle-East tensions but this intense? This widespread? Jesus said there would be clear signs in our world before His return. Over the last few months and years, as we read headline after amazing headline, those signs seem to be escalating. Could Christs return and our worlds final days be very far away? Greg Laurie opens up the Scriptures, offering insight, warning, and encouragement to make the most of every opportunity in these challenging days.
