

Man of Valor: Every Mans Quest for a Life of Honor, Conviction, and Character

In a society where it has become socially acceptable to hide who we really are, author Richard Exley, addresses the true and daunting pressures all men face challenging them to confront those issues with conviction and strength of character. In a devotional format and principles based on the book of Proverbs, with powerful chapters such as: Fatal Attraction, The Dangers of Success, The Courage to Do What is Right, and The Power of Perseverance. Special features include:--A highlighted key verse--A devotional addressing specific issues in a mans life--Action steps, for life application--A Thought for the Day--And a personal closing prayer. A compelling presentation, without theological posturing, Exley speaks about the uncomfortable, and often unspoken issues of manhood addressing everything from financial pressures, integrity, health, juggling the demands of family and career, to counting the real cost of infidelity a must read, for every man.
