

## Mans Search for Meaning from Death Camp to Existentialism (Newly Revised and Enlarged Edition of From Death Camp to Existentialism, Second Clarion Printing)

This is a profound revelation of a psychiatrist's search for a meaning for life in the midst of the horrors of Nazi death camps—a search that had tremendous impact on the whole field of psychiatry, since out of it came Dr. Frankl's theory of logotherapy, a modern and positive approach to the mentally and spiritually disturbed personality.
