

Maurice Ravel - Collected Songs - Medium/Low Voice

(Vocal Collection). The melodies of Maurice Ravel (1875-1937) span the entire chronology of his creative output, from his earliest song, written during his student years, to the cycle *Don Quichotte a Dulcinee*, his last composition in any genre. Ravel's vocal melodies are elegant and refined, classical in their phrase structure, with meticulous attention to detail. The diverse musical influences on his song style range from French Baroque music, to his teacher Gabriel Faure, to Arnold Schoenberg. This is the first comprehensive collection of Ravel songs ever published. There are 50 songs in the High Voice volume, and 49 songs in the Medium/Low Voice volume. The collection also includes excerpts from the opera *L'Enfant et les Sortilèges*.
