

The Medium Is the Maker: Browning, Freud, Derrida, and the New Telepathic Ecotechnologies (Critical Inventions)

This book sets out to provide a new understanding of the nexus between the literary world and contemporary communication (iPhone et al.) in all its facets not Marshall McLuhans The medium is the message, but a new formula: The medium is the maker. In this exploration of the medium traditional, modern, postmodern Miller engages with Browning, Freud, and Derrida to provide a platform of personal discovery and literary enlightenment (at times solemn, ironic, comic, and occasionally devastating).
