

## The Memoirs of William Miller

The Memoirs of William Miller, first published in 1875, is the biography of a great man of God. He can truly be called the first person in the history of the world to start proclaiming the First Angels Message of Revelation 14. His only date setting was to say that sometime between March 21, 1843, and March 21, 1844, the Lord would come. Many will be surprised to learn that William Miller did not accept the October 22, 1844 date until that very same month.
