

Miracles in Young Cove

During the winter of 2004 I had a medical surprise I found out that I was very sick. I was 43 years old and I might not make it to live past my fathers early death at only 49 years old. Here is my story. Theresa, will you pray for me? I had a lump on my left arm. I asked my wife to put her hand on the lump and pray for healing. She did, and moments later the lump approximately 40%. We prayed again and it reduced by another 20%. I was pleased, but decided to take my lump to the doctor. After all. God can work through doctors too!
