

Momentum

Imagine yourself in the drivers seat. The windows are down, and the breeze is warm. Your tunes are blasting, youve got the pedal to the metal, and youre feeling like a million bucks. This is gonna be the best road trip ever! Slight problem: Your destination is east, but youre headed west. Simple solution: Take your foot off the accelerator and jam it on the brake, then turn the steering wheel and change direction. Voila! Ah yes, but it doesnt take a rocket scientist to figure out that changing directions in life isnt nearly so easy. You can call it momentum, the domino effect, or consequences, as someone probably growled at you once upon a time. Whichever. Truth be told, the choices you make now set in motion the series of events that will compose the rest of your life. Its up to you to move your life in the direction you want it to go. This devotional is crammed with all sorts of inspiring Bible tales, modern stories, weird news, and crazy facts that will help get you moving in the right direction. Step one: Crack open this book and start reading. Step two: Repeat step one again tomorrow . . . and enjoy the ride!
