

Mosaic Moon: Caregiving Through Poetry

Mosaic Moon is much more than an extraordinary collection of inspirational poetry. Here is a unique resource for anyone with a loved one suffering from Alzheimers disease or other long-term illness. Created from poetry workshops conducted by the Alzheimers Association Aloha Chapter, this writing tool for non-writers is brimming with ideas and techniques for finding solace in journaling and poetry. Designed for both individual caregivers and for support groups organizing workshops, Mosaic Moon offers hope, humor and a powerful antidote to the heavy burden of caregiving.
